

Greening Certificate

AFS Energy B.V. declares that the electricity consumption
in the period 2025 of

Technisch Bureau Magema B.V.
of
121 MWh

will be entirely generated by Dutch Wind installations.

AFS Energy
guarantees that this green electricity will be added to the
electricity grid exclusively for
Technisch Bureau Magema B.V.

Technisch Bureau Magema B.V. is hereby demonstrating
a conscious choice in the scope of
Corporate Social Responsibility.

Amsterdam, 05-11-2025

AFS Energy

Laurens Zonneveld
Managing Director

The Guarantees of Origin purchased by Technisch Bureau Magema B.V. will be permanently cancelled by AFS Energy B.V. on behalf of Technisch Bureau Magema B.V. in VertiCer. VertiCer is appointed by the Dutch government to issue and audit Guarantees of Origin
